Dear Prospective Client:

La Revolución de Mandato has begun! Join David Scribner and Steve Smith in the fight against list leavers and the State's mandate tyranny. Scribner & Smith will provide you with all the weapons you need to ensure mandato success!

Scribner & Smith to Dominate

La Revolución de Mandato is in good hands. Scribner & Smith plan to charge the field to bring an end to list leavers and the State's mandate tyranny.

At Scribner & Smith out goes the old school "consultant" and enters the highly trained Mandate Accountant. With ever-increasing State demands, the only sensible approach is to use accounting systems guaranteed to increase revenue and decrease staff time.

With Scribner & Smith's revolutionary mandate weapons, we guarantee you will experience:

1. Increased Mandate Claims;
2. Decreased Staff Time Spent on Mandates; and
3. Increased Audit Defense.

Scribner & Smith are so sure you will see results, we GUARANTEE it. If your claims are reduced, Scribner & Smith will credit/refund the percentage reduced against your mandate accounting contract. The "other" guys leave you more lists - not guarantees.

Over the next few months and years expect to see Scribner & Smith lead La Revolución de Mandato with not only a better approach, but with the ONLY approach that meets the State's requirements.

It's About Time!

Scribner & Smith are finally here to lead La Revolución de Mandato. Ditch the list leavers and fight the State's mandate tyranny with Scribner & Smith's revolutionary approach to mandate accounting.

Join La Revolución de Mandato

Max8550 is the FUTURE!

Max8550 represents the future of mandate time accounting. This revolutionary approach, driven by experienced Mandate Accountants, ensures you will see increased mandate claims,

reduced staff time spent on historical mandate tracking, and increased audit defense.

Max8550 is the only mandate time accounting software in the State developed to increase claims and reduce workloads while at the same time meeting the State's stringent contemporaneous time accounting requirements. Max8550 brings mandate time accounting into the 21st century by focusing on what matters most to its users - less time, higher/more accurate claims.

Please contact Scribner & Smith today to schedule your very own test drive of the most important weapon available to combat list leavers and the State's mandate tyranny.

We GUARANTEE it!

At Scribner & Smith, we are so sure of our revolutionary products and support - WE GUARANTEE IT! That's right, we guarantee the State will not reduce your claims as a result of an audit while using Max8550.

Where else can you get a money-back guarantee that your claims are not only the highest and most accurate they can be, but will also survive State scrutiny? Nowhere but at Scribner & Smith.

La Revolución de Mandato has begun - don't get left behind. Contact Scribner & Smith today to find out how our weapons can protect you in the battle against list leavers and the State's mandate tyranny. All Guaranteed!
